Introduction

This directory provides a list of the Genesis Health Network Senior Plan network providers who have agreed to provide you with health care services. To get detailed information about your health care coverage, please see your Evidence of Coverage.

This directory is set up to list the network physicians by specialty indicating the location of the physician office. The directory also lists participating hospitals, durable medical equipment providers, physical therapy providers, surgical centers, acute care centers, skilled nursing centers and the physicians that require a referral (identified in the Referral only section).

To receive maximum benefits under your plan, you will need to use network providers. If you use a non-network provider for Medicare eligible services, you will be responsible for the Medicare Part A and B deductibles/coinsurance and/or any plan copayments/coinsurance. Medicare eligible services received from a non-network provider are covered up to the Medicare allowable.

There are 2 sections of this Provider Directory - Network Providers and Referral Only Specialty Providers. The providers listed in the 'Referral Only' section require prior authorization from the plan's Medical Director before you receive Medicare eligible care/services. Your network physician (with same or similar specialty) should contact the Member Services Department to request the referral. If the referral is approved, an authorization letter will be sent to you. If the referral is denied, a denial letter will be sent to you.

If you have been going to one network provider, you are not required to continue going to that provider. In some cases, you may get covered services from a non-network provider with authorization.

If you have questions about the plan/coverage or need help finding a network provider, please call our Member Service Department at 563-584-4885 or 1-866-821-1365, 8:00 am to 8:00 pm CST, 7 days a week. TTY users should call 1-800-735-2942. You can also visit www.mahealthplans.com.

Emergency Care and Urgently Needed Care

If you have a medical emergency or need urgent care:

Out of Service Area -

If you are out of the service area and need to seek medical care for urgent or emergent services, you should go to the nearest facility to get your care. After you receive care, contact the Member Service Department within 48 hours, or as soon as possible, to report the out of area care. The telephone number is listed on the back of your identification card.

Within Service Area -

If you are within the service area and need urgent or emergent services, you should contact your network physician unless you feel doing so may endanger your health. If you have a serious medical concern, call 911 for help or go to the nearest emergency room or hospital. If you have a non-life threatening medical concern, you can utilize an Urgent Care Center listed in this directory or call the 24 Hour Help Nurse.

You are also covered by the plan if you need emergency care outside the United States.

After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by non-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

Routine Care Out of Area

If you receive non-emergency Medicare eligible services/care out of the plan service area without prior authorization, you will be responsible for Original Medicare cost sharing (i.e. Part A and B deductible, Part B coinsurance and amount above Medicare allowable) and/or any applicable plan copayment/coinsurance.

If you are going to be outside of the plan service area and you have a medical condition which requires ongoing monitoring, you will need to contact your treating network physician who will contact the Member Services Department for prior authorization referral. These services may include, but not limited to, pro time checks if you are on blood thinners, dialysis, and physical therapy.

Primary & Specialty Care

You have direct access to any network primary care practitioner (Internal Medicine, Family Practice, General Practice, and OB/GYN) and most network specialists. We encourage you to establish yourself with a network primary care practitioner for continuity of care.

If you need to see a specialist, you have direct access to most of them by calling the phone number listed in this directory. If a specialist requires that you to be referred from a primary care practitioner, you will be informed of this when you call the specialist.

If you have questions in regard to accessing any of our network providers or if you have specific questions about a medical condition and are uncertain what specialist you should see, please call our Member Services Department. Medical Associates Health Plans has written standards for appointment wait times for primary care and behavioral health services.

Medicare Part B Drugs/Diabetic Supplies

Medicare Part B eligible drugs may be obtained at any pharmacy and authorization may be required. Medicare Part B covers some diabetic supplies, including blood sugar (glucose) testing monitors, blood sugar (glucose) test strips, lancet devices, lancets and therapeutic shoes. There may be limits on how much or how often you can get these supplies. You may obtain these supplies at any pharmacy. Please verify benefits with the Member Services Department.

Claims Submission

Your network provider should file all claims on your behalf. If for some reason, you receive a bill either from a network provider or a non-network provider, please contact the Member Services Department particularly if you don't know what should have been paid or if you receive bills and you don't know what to do about those bills. We can help.

Send us your request for payment, along with your bill and documentation of any payment you have made. You may want to make a copy of your bill and receipts for your records.

You must submit your claim within 1 year of the date you received the service or item.

Mail your claim: Medical Associates Health Plan, Inc.
 PO Box 211094
 Egan, MN 55121
